TOWN OF WAUSAU CONDITIONAL USE REQUEST INSTRUCTIONS

The Town of Wausau permit form must be filled out completely before the application will be accepted and submitted to the Zoning Administrator with the following information:

NAME OF APPLICANT: _____

- The legal description of the property _____

- Lot size _____
- Specify the reason(s) for the change _____

- Provide a list of all the adjoining owners, all names and addresses of all abutting and opposite property owners within 300 feet.
- Provide a plot plan showing the area involved its location, dimensions and location of adjacent structures within 300 feet of the area
- Indicate hours and days of operation if applicable _____
- Indicate truck and machinery access if applicable _____
- Indicate number of trucks and other machinery to be used on the site if applicable _____
- The appropriate fee made payable to the Town of Wausau must accompany request

The Town of Wausau Planning Commission and Board shall make their decision regarding the conditional use request based upon the evidence presented to it in each specific case with respect to the following matters:

1. That the establishment, maintenance, or operation of the conditional use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare;
2. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood;
3. That the establishment of the conditional use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district;
4. That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets, and
5. That the conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the Town Board pursuant to the recommendation of the Planning Commission.

Return to: Town of Wausau Clerk with the appropriate fee.

TOWN OF WAUSAU CSM/Subdivision Review

The Subdivision Plat or CSM shall be prepared by a land surveyor who is registered in the State of Wisconsin and who shall comply with the appropriate State Statutes (Chpt 236), Marathon County and Town of Wausau Land Division Regulations.

The information LISTED BELOW must be shown on the Subdivision Plat or CSM:

NAME OF APPLICANT: _____

- Name of the proposed land division/subdivision on the legal description of the proposed land division and total area in acres or square feet to be divided.
- North arrow and the preparation date on each sheet.
- Dimensions of all lots, together with proposed lot and block numbers.
- The surveyor preparing the preliminary plat shall certify on the face of the plat that it is a correct representation of the features and that he/she has fully complied with this ordinance.
- Scale of 1" = 100' - an alternate scale may be used with prior written approval from the Town of Wausau Zoning Administrator.
- Key map including the area within a one-mile radius of the Plat.
- The final plat must be signed by the Town of Wausau Chair, Clerk, and Treasurer.

IN ADDITION TO THE ITEMS LISTED ABOVE, THE FOLLOWING INFORMATION MUST BE PROVIDED FOR A LAND SUBDIVISION (County or State):

- Name of the proposed streets, which shall not duplicate or be similar in pronunciation or spelling to the names in any plat recorded in the Town.
- Location of right-of-way width and names of all existing and proposed streets.
- Location and dimensions of any sites to be reserved or dedicated for parks, playgrounds, drainage ways, or other public use, or which are to be used for group housing, shopping centers, church sites, or other nonpublic uses not requiring lotting.
- Any existing or proposed lake or stream access.
- The regional floodplain boundary and the contour which is 2 feet above floodplain using mean sea level datum.
- Roads and streets that are in compliance with the Town of Wausau Road Standards Ordinance.
- Five (5) copies of the *Subdivision Plat or CSM*, no larger than 24" by 36", ALL FOLDED. 7
- One (1) 11" x 17" black line copy of the *Subdivision Plat or CSM*.

Return to the Town of Wausau Zoning Administrator with the appropriate fee.

TOWN OF WAUSAU DRIVEWAY/CULVERT PERMIT

The undersigned owner, legal occupant, of described property, hereby requests permission to construct a driveway as described below:

Name of Applicant: _____

Culver Proposed Type: _____ Diameter _____ inches Length _____ ft

Describe Erosion Control: _____

Location of driveway: _____

Access point to town highway: _____

Sketch map provided: ___Yes ___No Plat map provided: ___Yes ___No

Please return to the Town of Wausau Zoning Administrator along with the appropriate fee.

Private driveway requirements include:

- Road width at the intersection of the driveway no less than twenty (20) feet.
- Minimum width of 12 feet.
- Clearance width at the intersection of no less than twenty-four (24) feet.
- Steel or plastic culvert, if necessary, no less than thirty (30) feet.
- Width clearance of sixteen (16) feet free of trees, brush, wires or other potential obstructions for access of emergency equipment.
- Height clearance of sixteen (16) feet free of trees, brush, wires or other potential obstructions necessary for access by emergency equipment.
- Slope away from the public road at a minimum of one percent (1%) and a maximum of five percent (5%) to prevent erosion onto the public road.
- Angle of any intersection of a town road and driveway of ninety (90) degrees.
- Construction to withstand the weight of emergency vehicles.
- At the end of the driveway a turn around or some other method for emergency vehicles to exit the property shall be established and approved by the town board or its designee.
- Curves in the driveway shall have an inside radius of not less than thirty-six (36) feet.
- Ditch to provide proper elevation to provide adequate drainage.
- No vertical retaining walls of any type of construction is allowed.
- Minimum standards are required for entry for agricultural purposes into a field or woods that border a town road.
- Any variance from these requirements must have prior approval from the town board.

Culvert requirements include:

- Any culvert necessary for proper drainage shall be installed at the owner's expense after elevation and location is obtained from the town board.
- The culvert will be maintained and replaced by the property owner when needed.
- The minimum length of any culvert installed shall be at least two (2) feet greater than the base course width. In no case shall the culvert be less than fifteen (15) inches in diameter.
- The duplicate flare or slope of the culvert shall have a three (3) to one (1) slope.

Installation requirements include:

- Any underground facilities already in place in the area must suitably be protected from damage.
- The town right-of-way shall be restored promptly.
- The entire cost of installing and maintaining the driveway is at the owner's expense.
- Any boulders, stumps or other debris must be removed in a manner acceptable to the town.
- Any road surfaces, slopes, shoulders, ditches, culverts and vegetation that is disturbed must be restored.
- No blasting within the limits of the town right-of-way is permitted unless specifically authorized by the permit

TOWN OF WAUSAU FIREWORKS PERMIT

Permit Issued to: _____ Date of Use: _____

Display Location: _____

Display Professional: _____ Time: _____ Quantity: _____

In accordance with section 167.10 of the Wisconsin state law and the information set forth above, the undersigned town chairman of the Town of Wausau authorizes the above named individual to purchase and possess U.N. 1. 4g (Class C) Common Consumer Fireworks within the State of Wisconsin on or after the issue date of this permit, and to display same on the date set forth above at the location set forth in the application.

This permit is issued in pursuant to s. 167.10 Wisconsin State statutes, and on the condition that neither the seller or the Town of Wausau shall be held liable for accident or injury occasioned during the transportation, handling, storage, sale, or use of the fireworks or pyrotechnic devices.

You are also to adhere to the following special condition: _____

Note: A copy of the permit shall be given to fire and law enforcement officials at least 2 days before the date of the authorized use. The bond, or liability policy, if required, and a copy of the permit must be held in the office of the Town of Wausau Clerk's office.
